General psychotherapy and eating disorder recovery

Telehealth (if applicable) and Simple Practice client portal:

- The therapist will send an email invitation so you will have access to the Simple Practice client portal where you will be able to fill out the intake forms.
- Please fill out forms before the first session and email a photo of your insurance card front and back
- Please prepare for teletherapy by setting up a quiet, private place without distractions using zoom or Simple Practice or any HIPPA approved platform.
- First session will be 60 minutes and 50 minutes thereafter
- We look forward to working with you!
